A message from Allan,

It seems once again societies trust has been betrayed. According to a local newscast, a local gym owner has pleaded guilty to sexually assaulting a minor. GTCO is disgusted by this behavior and wants to assure you we take great pride in our staff and facility to provide a safe, secure and nurturing environment for your child. It is a sad day for all involved and we want you to rest assured we have communications with our staff as to the lofty position they are entrusted with when working with your children. Our facility is wide open and security cameras throughout the offices to monitor activities in the gym; we have many levels of protection within our staff, and constantly work to keep our gym a safe haven for our students. Please take confidence in our desire to provide a positive environment in a difficult world. Should you ever have any questions or concerns please feel free to contact Allan Powers at [comments@gtcoho.com](mailto:comments@gtcoho.com) for an answer to questions relating to our facility. It is an isolated case at a facility we are not involved with and hope that this on no way sways your opinion of an activity that has so much to offer your child.

Thank you,  
Allan Powers  
President  
The Gymnastics Training Center of Ohio
