GTCO is making use of an important tool of social media via Facebook, Youtube, Twitter, GTCO website and Instagram. Videos/pictures taken of the gymnasts learning and mastering new skills is a great tool for prospective college gymnasts. Many coaches use Youtube to follow the progress of prospective team members. It has also become a great way to motivate both our younger and older gymnasts to raise their efforts in practice so they will be include in these videos/pictures and fun for them to think of their skills being out there for the rest of the gymnastics community to see. Each video/picture will be monitored by a coach and we will look for quality video/pictures to be posted.

If you have questions or concerns I can be contacted via email at comments@gtcoho.com. This address can also be used if you would like a video/picture removed once it is up. We look for this to be a positive for all our gymnasts.
